

2017 NCYC Diocesan Scholarship Application

In addition to the scholarships offered by the Catholic Youth Foundation USA, the Office of Youth Ministry of the Diocese of Kansas City-St. Joseph is committed to assisting young people who feel called to attend NCYC. We are able to offer a limited number of partial scholarships based on the following criteria:

- ◆ Each participant should pay part of the expenses him/herself. Even if this is a limited amount, it offers a sense of ownership in the program and the process.
- ◆ A young person's parish should be the first resource of financial support. There may be groups within the parish that are willing to support this opportunity for youth.
- ◆ Parish groups should make every effort to raise money through organized fund raising efforts.
- ◆ Requests cannot be honored without this completed form or after May 1.
